LB 963

Once that was completed then the funds would be appropriately distributed to the State of Nebraska or to the other states. It has to benefit as simplifying the procedure for the individuals who are applying for the license, a benefit for the state to have some interest on those funds while the administrative work is being done. It's a simplified procedure and which ever one to my knowledge that has associated with it either as a state or as an individual business much prefers and they are doing it but they feel they need the authorization. It has no impact, no effect, any way as to how those funds are distributed. They are distributed otherwise according to law.

SENATOR SAVAGE: Is there any discussion? Hearing none, the question is the advancement of LB 963. All in favor vote aye. Opposed vote nay. Have you all voted? Savage voting aye.

CLERK: Senator Savage voting aye.

SENATOR SAVAGE: Record.

CLERK: 25 ayes, 0 nays on the motion to advance, Mr. President.

SENATOR SAVAGE: 963 is advanced. Anything else on the agenda? The Chair recognizes Speaker Luedtke.

SPEAKER LUEDTKE: Mr. President, I'm going to ask that we recess until 1:30 and then try to get back here and...

SENATOR SAVAGE: Senator Koch, for what purpose do you rise?

SENATOR KOCH: Mr. Speaker, a question of Senator Luedtke.

SENATOR SAVAGE: Will you respond, Senator Luedtke?

SPEAKER LUEDTKE: Yes.

SENATOR KOCH: On the order of the day.

SPEAKER LUEDTKE: Pardon?

SENATOR KOCH: A question on the order of the remainder of the day.

SPEAKER LUEDTKE: I was just stopped in my tracks here. I was to say that we were going to spend the whole afternoon on Consent Calendar and try to get out earlier this afternoon if we get going. It depends on when we get started.

SENATOR KOCH: Senator Luedtke, my point was why not reconvene at an earlier time of day if we're going to do that so that we can indeed treat most of these bills which are noncontroversial, I think. Many of us would just as soon come back within an hour.

SPEAKER LUEDTKE: There's a Committee meeting, Senator Koch.

SENATOR KOCH: Evidently I'm not speaking for many of us then.

SPEAKER LUEDTKE: 1:30 is going to rush it for the Committee. Isn't that right?

SENATOR SAVAGE: Do you wish to make that a motion, Senator Koch?
